---

From:	The Stewards	Bulletin No:	06
To:	All Competitors	Date:	6th May 2018
	All Officials	Time:	15:50 hrs

---

The Stewards notify all concerned of the following clarification:

**Blancpain GT Series 2018 Sporting Regulations - Article 155 2)**

This article states that:

*"The car cannot leave the pit working area until all personnel and equipment are no longer in the working area".*

It is clarified that for the purposes of this article the term "all personnel" does not include the car controller or the exiting driver. Subject to the car being released in safe manner, the car may leave while these two individuals are still in the working area.
