Article 53 b of Blancpain GT Series Sporting Regulations 2017

Article 53 b of Blancpain GT Series Sporting Regulations 2017 prohibits the carrying out of Drive-Through or Stop & Go time penalties after the Safety Car has been deployed unless the car was already in the pit entry for the purpose of serving its penalty.

The Stewards of the Meeting inform all Competitors that, in the interests of equity and clarity, Drive-Through or Stop & Go time penalties may not be carried out after a Full Course Yellow period has been declared (including the preceding count-down) unless the car was already in the pit entry for the purpose of serving its penalty. The number of times the driver crosses the Line during the Full Course Yellow period will be added to the number of times he may cross the Line on the Track.
