
From The Stewards of the Meeting Bulletin N° 08
To The Competitor's Representative
All Competitors

26 JUL. 2017

The Stewards give notification of the following amendment to the Supplementary Regulations:

Fuel storage (Article 4.3a & 4.3d):

Storage – Refuelling Tower

Maximum quantity of 2 metal drums of 60 litres per car in each garage (refuelling tower NOT included).
The refuelling tower per car may not contain more than 120 litres. All other fuel storage is prohibited,
whether inside or outside the pit box.

Any potential source of sparks or fire is forbidden within 5 metres of the rear wall of the pits.
