

Note from the race director

Clarification on the Full Course Yellow procedure. Art 46.4 of the Blancpain GT Series 2019 sporting regulations.

From 10 seconds before the beginning of the FCY procedure, when the FCY boards are deployed at the marshal posts, it is forbidden to overtake.

At 0, waved yellow flags and FCY boards will be shown at all marshal post, at the line and at pit exit. At this point, cars must be at 80 Km/Hr and overtaking is forbidden. Cars must proceed at a constant speed in single file.

When your car is driving at 80 Km/Hr, if the car in front is unnecessarily slow, this should be notified to Race Control via the Application. The speed of the car will be checked and if it is considered to be necessary, permission to overtake may be granted by the Race Director over the Radio only.

THERE CAN BE NO OVERTAKING WITHOUT THE PERMISSION OF THE RACE DIRECTOR OVER THE RADIO.

ADAM Alain
Race Director
