

To: Competitor's Representative - Team R-Motorsport Cars No. 76 & 62

Decision No. 19

From: The Stewards

The Stewards having received a report from the R-Motorsports team regarding driver Marvin Kirchhöfer, who has become unavailable to race due to force majeure, and then having received a request from the team to replace that driver for the race, have considered that request. The request was accompanied by report signed by the Event's CMO.

The Stewards agree to the request that Maxime Martin drive Stint 3 in Car No. 76, and will also drive Stint 1 in Car No. 62.

The Stewards specify that Mr. Martin may only score driver championship points in the car in which he had initially been entered – Car No. 62.
