SPORTING NOTE #4 – 10/05/19

VALID :
2019 SEASON

REMINDER – END OF RACE PROCEDURES

Teams are reminded that the results remain provisional until all sporting matters and technical scrutineering are completed. This includes the checking of pit gantry and any onboard cameras including the driver facing camera when applicable.

Until the final classification is published, all teams must have one nominated person available to be summoned to the Stewards and to sign for any decisions. The Team Messaging application must be monitored until the final official results are issued.

Should the person designated as Team Manager for the Event not be available until results are final, the Team should nominate one or more additional personnel who are able to sign for the team. This person or people must be listed on the sheet that will be available at the Team Managers' administrative checks. Any changes or additional personnel after this point should be notified directly to the Stewards.
